## Parshat Noach

### KEEPING PERSPECTIVE

The Talmud interprets the term "**complete**" to mean that Noach was very **humble**. He was able to remain humble even though his righteousness towered over his entire generation. The key to Noach's success was that "**he walked with G-d.**" That is, he was **mindful** of the infinite righteousness of G-d, and how insignificant his deeds were in comparison. He therefore did not become haughty despite all of his spiritual accomplishments.
